County seeking input on potential Interstate 70 interchange improvements
Attend April 4 open house on I-70/Airpark and I-70/Watkins interchanges

LITTLETON, CO --- Residents are invited to attend an open house April 4 to learn more about potential improvements at the I-70/Airpark Road and the I-70/Watkins Road interchanges.

These two interchanges were originally designed to serve rural populations. Located within two of Colorado’s fastest growing counties, increased traffic associated with commercial and residential development will require improvements.

WHAT: Public Open House
WHEN: April 4, 2019
4 to 6 p.m.
WHERE: Colorado Air and Space Port
Aviator Bar & Grill (inside the terminal)
5200 Front Range Parkway, Watkins, CO 80137

Arapahoe County is leading a multi-jurisdictional transportation study to evaluate the I-70/Airpark Road and I-70 Watkins Road interchanges and recommend improvements. A study is the first step in the design and construction process, which is anticipated to take five or more years, pending federal funding. Additional project partners include: Adams County, City of Aurora, Colorado Department of Transportation, Federal Highway Administration, and Denver Regional Council of Governments. To learn more about the project, visit www.arapahoegov.com/i-70airpark-watkinsinterchanges.
