Arapahoe County seeks comments on revised Comprehensive Plan

Littleton, Colo – The Arapahoe County Planning Commission is holding a Dec. 5 public hearing to update the Comprehensive Plan. The county, along with the City of Centennial, will discuss adopting the Sub Area Land Use Plan for the Joint Planning Area. Citizens are invited to attend the meeting, which will be held at 6:30 p.m. at the County Public Works and Development building located at 10730 E. Briarwood Ave. in Centennial.

The Sub Area Plan will be used to guide future development in the Joint Planning Area. The City of Centennial is interested in the Joint Planning Area as an area for potential future annexations. The Joint Planning Area is located between E. Arapahoe Rd. on the north, County Line Rd. on the south, I-25 on the west and S. Parker Rd. on the east.

The city approached the county in May 2006 to conduct a joint land use planning study to develop land use goals and policies and to consider adoption of additional development standards for the area.
