Arapahoe County seeks comments on revised Comprehensive Plan

Littleton, Colo. –Arapahoe County is hosting a Sept. 19 community meeting to review an updated version of the Comprehensive Plan. The County's current Comprehensive Plan is an official public document that guides land use and growth and development decisions and does not have any policies related to the development of the Lowry Range.

The County will begin work with the State Land Board and other partners to conserve the 22,000-acres south of Quincy Avenue as a keystone natural resource conservation, water resource development, and open space parcel. Citizens are invited to attend the meeting, which will be held from 4:30 –7 p.m. at the Arapahoe County Fairgrounds, 25690 E. Quincy Ave., in Aurora.

For a complete copy of the proposed Comprehensive Plan, please contact the Sue Conaway at 720-874-6655 or access the County website at www.co.arapahoe.co.us and link to the Main Page under "What's New."
