## **Arapahoe County Clerk and Recorder named Certified Election Official**

**Littleton, Colo.-** Secretary of State, Gigi Dennis recently awarded Arapahoe County Clerk and Recorder, Nancy Doty, the Certified Election Official designation. To receive this designation an individual must have completed at least eight core general election law classes provided under the direction of the Secretary of State and at least six elective courses relating to general election topics.

Doty completed classes relating to the conduct of elections, testing of voting equipment, canvass procedures, and accessibility for people with disabilities. The federal Help America Vote Act of 2002 was also emphasized. She has arranged for the entire election staff to take the required courses to become certified.

“Staff working in the Election Division, need to be well equipped with the knowledge to respond to the many statutory demands in conducting elections,” said Doty. “My staff and I are all working towards that goal.”
