## **Arapahoe County property valuation protest period begins May 3** *Assessor's Office offers protest appointments in person, by mail or online*

Arapahoe County property owners who want to contest their property values have until June 1 to file a protest with the Assessor's Office.

Notices will be mailed beginning Friday to property owners whose properties changed characteristics, such as a home addition or other major remodeling project, in 2003. While only property owners whose property changed characteristics will receive a new notice of value, the protest period is open to any property owner who wants to protest their property valuation.

To make the process easier, the Assessor's Office offers a variety of methods to protest valuations. Protests can be filed by mail, faxed at 303-797-1295, filed in person or through the County's web site. To protest on line, visit the county's web site at [www.co.arapahoe.co.us](http://www.co.arapahoe.co.us) and click on *Residential Protest Period Begins May 3* found under the *Quick News* section on the home page. To fill out the protest form, enter the Control Number and parcel ID, both of which are found under the name and address on valuation notices.

Property owners also can research the values of properties in their neighborhood and schedule an appointment to meet the Assessor's Office appraisal staff.

Online protests and protests conducted by mail, fax or in person will be accepted through June 1.
