## **Driver's license renewal available at Arapahoe County Administration Building in Littleton**

Time to renew your driver's license? Have you relocated to Colorado or misplaced your driver's license? If you are in need of a new driver's license, visit Arapahoe County. The Clerk and Recorder's Office offers express service at the Arapahoe County Administration Building in Littleton for those needing to renew or replace their driver's license.

The express service is offered for **driver's license renewal only** and is available in the same office where license plates are obtained - the County's Administration Building, 5334 S. Prince St., Littleton. Anyone relocating to Colorado with a valid drivers license from another state is not required to take the written test, and can use our express service. However, the license must not have expired for more than one year. If the license is expired for more than one year, a written and driving test is required, and the license cannot be renewed at the Administration Building.

**Driver's license renewals** are available 8 a.m. to 4:30 p.m., Monday through Friday. For more information and requirements, visit Arapahoe County's website at [www.co.arapahoe.co.us](http://www.co.arapahoe.co.us) or the State's website at [www.mv.state.co.us](http://www.mv.state.co.us).
