Media Advisory

Rain or shine, we'll be raising a sign, to announce the future home of the Arapahoe County Fairgrounds and Regional Park

Littleton, Colo. --- Arapahoe County Board of County Commissioners will celebrate Friday as they officially announce the future home of the Arapahoe County Fairgrounds and Regional Park.

The planned multi-use property will provide year round access to open space and multi-purpose buildings for use by County residents, and will include livestock, maintenance and exhibit buildings, an indoor and outdoor arena, horse barn and Colorado State University Cooperative Extension office.

“We’re thrilled to move forward on this much-anticipated project that will eventually provide many valuable community services and resources to residents of all ages,” said Commissioner Marie Mackenzie, District 3. “The Fairgrounds and Regional Park have been designed based on input from several local community and focus groups, and we’re confident it will meet their expectations and those of generations to come.”

There is a photography / video opportunity for the media this week. For more information, contact Katrina Seymour at 303-636-1945:
