## **Two events, one day: E3 Business and Career Forum opens the door to opportunity for job seekers and entrepreneurs**

**Aurora, Colo.** Arapahoe/Douglas Works! is inviting job seekers and entrepreneurs to attend a resource forum aimed at helping them find work, change careers, or start their own business. The E3 Business and Career Forum is scheduled for Tuesday, September 20, in two sessions:

- **8 a.m. to 1 p.m. – Morning Business Forum** for the small business owner and/or entrepreneurs interested in starting a business. Workshops will include information on starting, growing and managing your business, and networking opportunities. A \$50 registration fee is required to attend, and includes lunch with keynote speaker Bill Rancic, first season winner of *The Apprentice*.
- **11 a.m. – 5 p.m. – Free afternoon Career Fair**, including workshops on starting, growing and managing your career, free resume critiquing and access to more than 100 employer booths with real job opportunities. This fair is open to the public, and registration is not required.

The events will be held at Denver Merchandise Mart, 451 E. 58th Ave., #4270, Denver, CO 80216.

“We’re thrilled to participate in this fair, which offers access to solid employment opportunities and other information designed to lend job seekers and entrepreneurs a competitive edge,” said Patricia Buys, Arapahoe/Douglas Works! Manager. “From business networking to resume critiquing, there’s something for everyone wanting to improve their prospects for success in the workplace.”

An E3 event is held annually during September, which is Colorado Workforce Development Month, and focuses on employment, education and economic growth in Colorado. For more information or to register for the Morning Business Forum contact Julie Berge at 303-318-8836.
