SHERIFF'S OFFICE ISSUES UNIFORM HATS

Uniformed Deputies of the Arapahoe County Sheriff's Office will now have a slightly different and enhanced appearance with the addition of uniform hats. The addition of the hat to the uniform of the Arapahoe County Sheriff's Office is the result of a need, voiced by deputies, for adequate headgear that continued to present a professional appearance.

Sheriff's Deputies evaluated several hat styles before selecting the uniform hat that is now part of the uniform of the Arapahoe County Sheriff's Office.

For additional information, contact Sheriff Grayson Robinson at 720.874.4165.
