Committed to Quality Service with an Emphasis on Integrity,
Professionalism and Community Spirit

On Tuesday August 21, 2007, several citizens of the City of Centennial, and unincorporated Arapahoe County received a small note at their residences that stated:

ATTENTION NEIGHBORS
A SEX OFFENDER HAS MOVED
INTO THIS AREA!!!
WE ARE ASKING EVERYONE TO BECOME AWARE!!!
FIND OUT WHO THEY ARE AND WHAT THEIR ADDRESS IS!

This particular company charges a fee for a service that the Arapahoe County Sheriff's Office provides at no cost to residents.

The purpose of our sex offender website is to provide the public with information about sex offenders living in Arapahoe County. The information on sex offenders pertains to those that live in the Sheriff's service area jurisdictions to include unincorporated Arapahoe County, Bennett, Byers, Centennial, Deer Trail, Foxfield, and Watkins. It will not include sex offenders located outside of our jurisdiction in Aurora, Bow Mar, Cherry Hills, Columbine Valley, Englewood, Glendale, Greenwood Village, Littleton, or Sheridan.

For information on areas outside Arapahoe County, please check with those jurisdictions (State of Colorado, Adams County, Denver City & County, Douglas County, and Jefferson County). Many agencies now provide information on registered sex offenders in their areas on the agencies web sites.

Again, citizens may contact the Arapahoe County Sheriff's Office, their local law enforcement agency or the Colorado Bureau of Investigation to obtain a local registered sex offender list, **AT NO COST**.

Please feel free to visit our website at www.arapahoesherriff.org, look under helpful resources and click on sex offender information.
