Making our Mark in 2006

Arapahoe County annual report available in Thursday's Denver Post and Rocky Mountain News

LITTLETON, CO --- When Arapahoe County residents open their *Denver Post* and *Rocky Mountain News* on Thursday, not only will they get the day's news, but a copy of our 2006 Annual Performance Report as well.

Making our Mark in 2006 is Arapahoe County's Annual Performance Report and it highlights some of the many accomplishments we checked off last year.

The 16-page annual report features dozens of examples of the County's commitment to provide exceptional services, while at the same time using tax dollars wisely. The goal of the report is to educate citizens about the role of their county government in the community by highlighting the County's accomplishments, innovations, awards, efforts to save money, community activities and testimonials from citizens in 2006.

The report will be distributed in the *News* and *Post* Arapahoe County distribution area only.

Copies of the report also are available in County buildings and electronically through our web site at www.co.arapahoe.co.us. For more information, or to give us your feedback on the annual report, contact Communication Services at 303-795-4284 or by e-mail at communicationservices@co.arapahoe.co.us.
