Child Safety Seat Fitting & Education Station

Arapahoe County Sheriff's Office in support of the Click-IT or Ticket campaign is offering a Child Safety Seat Fitting and Education Station.

**Where: Arapahoe County Sheriff's Office
13101 E. Broncos Park Way**

Time: 2:00-6:00p.m.

Date: 05/30/07

It's a fact; in Colorado more than 90% of the child safety seats inspected by CPS Team Colorado were improperly installed. Used properly, child safety seats and seat belts prevent injuries and save lives.

At the fitting and education stations, nationally certified technicians will evaluate restraints for all children in the vehicle. Technicians will teach parents how to be sure their kids are traveling safely. Parents, grandparents and any child caregivers are welcome to attend. Before you arrive, make an attempt to install your seat. Become familiar with your seat and vehicle. Read the child seat and vehicle owner's manuals.
