Arapahoe County provides toys for tots *Arapahoe County to deliver toddler cars to needy childcare facilities*

Littleton, Colo. --- More than 50 children will have the opportunity to practice for their driver's license years before they can take the test. This week Arapahoe County Commissioners will present 10 toddler cars to two childcare centers. The cars are from the Toddler Driving School at this year's Arapahoe County Fair and as part of the agreement with the vendor, the cars will be donated.

"These cars will help toddlers enhance their motor skills, strengthen their hand/eye coordination, and provide them with another outlet for creativity," said Commissioner Chair Frank Weddig. "Early childhood education is so important and we're excited that these toys will be used daily instead of sitting in our warehouse."

There are photography/video opportunities for media. Please contact Nichole Parmelly at 303-636-1945 for more information.
