## **Arapahoe County Fleet division named top 100 in America**

**Littleton, Colo.** ---For the fourth consecutive year, Arapahoe County's Fleet division recently was named among the top 100 Best Fleets in North America. They were one of 2,500 fleet operations that were considered for this prestigious award.

"What a great honor to be recognized among the best in the nation," said Commissioner Pat Noonan, who represents District 4. "Our Fleet division focuses on excellent customer service and is very talented with their tremendous vision, leadership and innovation."

The Fleet division performs all preventive maintenance and repairs for all County vehicles and equipment. This includes management of all County vehicles and equipment, plus fuel distribution and inventory control.

The program recognizes and rewards peak performing fleet operations in North America. Currently in its seventh year, 100 Best Fleets identifies and encourages ever-increasing levels of performance improvement within the fleet industry.

Arapahoe County was chosen in the top 100 after outlining accomplishments in the categories of accountability, use of technology and information, high trust culture, performance recognition/acknowledgement, collaboration, creativity, celebration, doing it right the first time, quick/efficient turn around, competitive pricing, staff development and resources stewardship.
