## Signs prohibited on public property in Arapahoe County

**Littleton, Colo. ---** Arapahoe County would like to remind citizens to refrain from posting signs on public property or the public right of way. The County Land Development Code (section 1-3704) prohibits signs being posted in Unincorporated Arapahoe County and the Town of Foxfield. Areas where signs are prohibited include: streets, medians, islands, parkways, sidewalks, traffic control signposts, utility poles and trees.

“There has been an increase in the number of signs posted on public property around the county,” said Tammy King, Zoning Administrator. “We have received quite a few complaints from citizens about the number of realtor and builder signs that have been posted.”

Arapahoe County will remove signs posted on public property and send notices to violators informing them the County has their signs and they have 30 days to pick them up. If you have any questions, contact Tammy King at 720-874-6711.
