Arapahoe County offers online vehicle registration renewals

County is one of nine in the state to offer online vehicle registration renewals

Littleton, Colo –Arapahoe County Motor Vehicle has made it easier for residents to renew their vehicle registrations online using a credit card or electronic check. For a small convenience fee, vehicle owners can quickly renew their registrations from their home or business.

“I am so pleased that Arapahoe County now has the ability to offer online registration renewals for our citizens,” said Clerk and Recorder, Nancy A. Doty. “This new convenience will save time for our customers and is a win-win service for all of us.”

To use the service, vehicle owners will enter their license plate number. The system then automatically verifies that the vehicle meets minimum eligibility requirements and that the owner has up-to-date insurance and emissions information on file with the State. Once confirmed, the online portion of the vehicle registration renewal can be completed within a matter of minutes.

To learn more about the fees, or to renew your vehicle registration, visit www.Colorado.gov/renewplates.
