Secured and verifiable identification required for motor vehicle transactions

Littleton, Colo –Effective June 1, all applications for new or duplicate titles will be required to include a readable photocopy of secure and verifiable identification.

Secured and verifiable identification will also be required for new registrations, new handicap placards and new temporary registrations, although no photocopy is required.

The Arapahoe County Clerk and Recorder's Office is mandated by Colorado Law to require secure and verifiable identification for certain motor vehicle transactions involving registration or title application.

Secured and verifiable identification include, any Colorado driver's license or Colorado identification card, valid Military ID, or a passport. For a complete list of acceptable identifications, please visit www.co.arapahoe.co.us and go to the Motor Vehicle page. If you have any concerns about these requirements, you may contact the Colorado Department of Revenue at 303-205-5608.
