

Section 3. Plan & Report Submittal Requirements

Overview of Section 3

3.0

Section 3 summarizes the GESC Plan Drawing and Report Requirements:

Sections 3.1 and 3.2, **Standard GESC Drawing Requirements and Report Requirements** lists information to include on the various GESC documents. A checklist of requirements can be found in Appendix E.

Section Highlight – Example GESC Drawings

Several example sets of GESC Drawings have been prepared to illustrate the selection and depiction of erosion and sediment control BMPs.

Section 3.3, **Engineer's GESC Cost Estimate**, describes the cost estimate associated with the installation and maintenance of BMPs .

Section 3.4, **Variations**, provides guidance for requesting variations to the criteria presented in the GESC Manual.
