Arapahoe County

facts

Happy Anniversary Arapahoe County! 2011 marks the County's 150th anniversary and we are proud of our rich history.

As Colorado's first county, our history dates back to 1855 when Arapahoe County was part of the Kansas Territory.

In 1861, Congress created the Colorado Territory and Arapahoe County, which stretched to the Kansas border. Denver was the county seat until 1902, when it became a separate city and county.

After a local election to determine the new county seat, voters selected Littleton, where it remains the county seat of Arapahoe County today.

Arapahoe County spans 806 square miles and is a land of contrast. The western part of the County is mostly urban with residential, retail, office and industrial areas, while the eastern portion is relatively rural. Littleton, along with Sheridan, Englewood, Aurora, Bennett, Bow Mar, Centennial, Cherry Hills Village, Columbine Valley, Deer Trail, Foxfield, Glendale and Greenwood Village, make up the County's 13 incorporated cities.

Arapahoe County offers a variety of attractive residential choices and a moderate cost of living. Residents enjoy excellent parks, greenbelts and trail systems, superior public services and an inviting quality of life. There are nine school districts within the County and 350 local improvement and service districts. School districts include Aurora, Bennett, Byers, Cherry Creek, Deer Trail, Englewood, Littleton, Sheridan and Strasburg.

Arapahoe County is governed by the Board of County Commissioners. The Commissioners, along with the Assessor, Clerk and Recorder, Coroner, Sheriff, Treasurer and District Attorney are elected by voters to administer County services.

The Board oversees the County by serving as the administrative policy-making body. The Board approves the budget, hires staff, oversees land-use planning and development in unincorporated Arapahoe County; and administers county services, such as road and bridge maintenance, transportation improvements, snow and ice removal, human services and animal control.

The Commissioners are elected by voters to represent five districts, each divided by population. All non-elected departments report directly to the Board of County Commissioners. These departments include BOCC Administration, Communication Services, Community Resources, County Attorney, Facilities and Fleet Management, Finance, Human Resources, Human Services, Information Technology and Public Works and Development.

The County has 1,900 employees and a \$328.4 million budget. Arapahoe County has one of the lowest mill levies in the Front Range. Arapahoe County has approved a .25 percent sales tax, approved by voters in 2003, to pay for the preservation of Open Space.
